

**JASON MOTTE
FOUNDATION**
LET'S STRIKE OUT CANCER

NINTH ANNUAL ST. LOUIS CORNHOLE CHALLENGE STRIKING OUT CANCER.....ONE TOSS AT A TIME

THE
EVENT

ST. LOUIS CORNHOLE CHALLENGE AUGUST 31, 2023 - THE BIERGARTEN AT ANHEUSER-BUSCH

What has become a popular fan-friendly event, the *Ninth Annual St. Louis Cornhole Challenge* will be held on Thursday, August 31. In 2014, former Cardinals closer, Jason Motte, wanted to host a unique fundraising event for the fans in Greater St. Louis Metropolitan area to support his efforts to Strike Out Cancer. Thus, the Cornhole Challenge was created. Since it's inception, the Jason Motte Foundation has taken this event to other cities, with over \$1.7 million being raised to assist the Jason Motte Foundation in their efforts to Strike Out Cancer.

The Biergarten at Anheuser-Busch will once again provide the perfect outdoor setting as we unite as "Teammates in the Fight Against Cancer."

THE
CAUSE

A SMALL GESTURE A HUGE IMPACT

During the fall of 2010, Jason Motte and his wife, Caitlin, found themselves frequent visitors to the West Cancer Center in Memphis, Tennessee, as Caitlin's grandfather, Lynn H. Doyle, was being treated for lung cancer. On one such visit, they noticed a sign that read, "Blankets Needed." Blankets....seems easy enough....that is something this couple could provide. But that small act of generosity would blossom into the formation of the Jason Motte Foundation, an organization committed to providing comfort and care to those affected by this disease. From hospital visits to gala events, expos and the selling of their popular KCancer t-shirts across Major League Baseball, the Foundation has made great strides in the fight against cancer. The Foundation has funded a lung cancer screening program, skin cancer screening program, been an advocate for initiatives of cancer research of all kinds, remodeled a treatment room at Cardinal Glennon Children's Hospital, hosted families of cancer patients at major league ballparks and Spring Training facilities. The Foundation has grown by leaps and bounds with awareness nationwide and around the globe, but the battle continues. And so will the Motte's until the day when we can proudly say that we live in a cancer-free world.

TOGETHER, WE WILL STRIKE OUT CANCER
